

**OCEAN YIELD ASA
DECLARATION REGARDING STIPULATION OF SALARY AND OTHER REMUNERATION TO THE
CEO AND CFO
REF. PUBLIC LIMITED LIABILITY COMPANIES ACT § 6-16A**

Directive of remuneration of the CEO and CFO

The accumulated remuneration to the executives consists of a fixed salary, standard pension- and insurance terms for employees and a variable salary (see section Incentive scheme). The main purpose of the system for management remuneration is to stimulate a strong and lasting profit oriented culture leading to an increasing value of the Company.

Advisory guidelines

The CEO and CFO are members of a collective pension and insurance scheme applicable to all employees. The collective pension and insurance scheme is for salaries up to 12G. The Company offers standard employment contracts and standard employment conditions with respect to notice period and severance pay for the CEO and CFO. The Company does not offer any stock option programs to its employees.

Binding guidelines

In 2013, Ocean Yield ASA implemented an incentive scheme pursuant to which the CEO, CFO and certain other key employees are entitled to bonuses calculated on the basis of the development of the market price of the shares and dividends paid on the shares. Under the incentive scheme, a specified number of synthetic shares are allocated to the scheme participants. Each scheme participant annually receives a cash bonus equal to the difference of a base price and the closing price of the shares on the Oslo Stock Exchange on the last trading day during a relevant year, multiplied by the number of synthetic shares allocated to that scheme participant (a "share price increase bonus"). Each scheme participant further receives an amount equal to the dividend paid per share multiplied by the number of synthetic shares allocated to that scheme participant, as of the date of payment of any such dividend on the shares (a "dividend bonus"). The Company can require that a part of the share price increase bonus is settled in shares. In addition the scheme participant can require that the share price increase bonus is settled in shares rather than cash and the parties can agree to settle any dividend bonus in shares rather than cash. In cases of settlement of bonus in shares, the settlement shares shall be subscribed or purchased by the scheme participant at a price equal to the closing price less 20%. The shares must be held by the scheme participant for three years. For the year 2017 the CEO and CFO has been allocated the following amount of synthetic shares:

Lars Solbakken, CEO:	1 100 000 shares
Eirik Eide, CFO:	350 000 shares
